Minutes of last meeting were approved by Jane and seconded by Mary.

Correspondence

A Letter had been received from DIBCA regarding an agreement with the bar when holding major events. We agreed £200 per major event this to still to remain and we felt that we should push to get more members trained. DIBCA Committee had offered to have some members trained to support the events they were running.

Chairman's Report

Gordon hoped everyone had a good summer holiday and are ready for the new season. The Funding event for Scotland is still in process and should know by the 15th September if we have been successful.

Treasures Report

Bank Balance £9,450.00 Individual claim forms have been handed in.

Rag Bag money is now due but are slow in processing payment.

It was suggested that we have a written agreement between Ice Hockey, Skating and Curling to make sure we get our share of the money which gets divided. It was felt that we need to promote it as new members may not know about the Rag Bag. Graham drafting a letter signed from the committee.

Mary still to organise Booker Card.

David is to go to bank to get signature sorted out.

Competitions Report

1. Club competition draws for 2017 / 2018 are nearly ready and will be published later in August.
2. There has been a large entry for the Doubles Competition for the coming season. The draw has been divided into 2 leagues because it was not possible to fit 66 games into the season's calendar with other club competitions, holidays and other curling commitments out with the club. The top league has 8 teams, the other 4. Does the committee agree the 4 prizes for this competition be split so that the top 3 teams in the top league are awarded prizes and the winner of the 4 team league is awarded the other prize? **Agreed**
3. There are no sponsorship arrangements for the club's Singles Competition and the DYC Most Improved Player.

4. Does the committee want to consider moving the sponsorship deals around? For example, the Thomson Roddick sponsorship only covers part of the prizes for the League. A sponsor could be sought for all the League prizes and the TR sponsorship could be re-allocated. Agreed

Committee Responses:

Most Improved Player (Agnes Orr donated £100 to cover 3 seasons organised by Jill Moodie)

Thomson Roddick Sponsorship to now be used to cover the Singles High Road & Singles Low Road

Committee members were to look for additional sponsor options and Graham would try to produce a document for all members to use.
