Chairman's Report

Gordon started the meeting with the good news about the Scottish Junior Championship. He congratulated Sophie Jackson for winning the girls section and Ross Whyte came 2nd and a big well done to everyone who competed in the event. Ross and Sophie are now going to the World Junior Championships.

In the Division 1&2 both teams fought well to stay in their group with the division 2 team almost getting promoted.

In the Under 14 at Braehead team Gallacher had fine results all day to win the competition with Stewart and Carson Teams also doing very well.

In the Under17 at Perth the five teams all worked hard with three teams topping their group.

The club is still very strong but we will still need to make sure that the spirit of curling is maintained. There has been a few things through the season small in part but as a whole might tarnish the clubs name. We will have to make sure that standards are as high as possible for the club and also the young curlers. Workshops and a Code of Conduct are needed to help in this.

We are still working on trying to get extra coaching for next year.
