### Development Officers update

Olympic event- Graham is going to email David Ramsay and offer places for his attendance.

19<sup>th</sup> February is date of Olympic fundraiser, forms to be returned and members to sign up for slots of fifteen minutes between 430-830pm. All juniors encouraged to take part.

DIBCA are investigating ideas to see how they can gain more control over the curling at the facility, considering training individuals for the ice, collecting in funds, need to discuss ideas with council.

Coaching is getting busier, games are slowing down. Now time for review and discuss next season. To feedback and plan for future.

Junior International, teams signed up from Canada and Switzerland. Two Carson teams signed up, needs promoted. Race Night to run again at the event.

It was discussed and agreed that membership for next season will stay the same.

Mary asked for dates for Gold Skills Award and Graham will send these out.

Sheona asked whether the advanced sessions would have provided enough time for others to progress through skills award levels and in many cases Graham confirmed they will.

Division 1 prize money still not been received.

### Competition Report

Reminder emails have been sent out regarding competitions restarting, not all being opened. Fewer non-attendances, to consider collecting fees from them as there is a reference on the forms laying out the rules. Not repetitive and for variety of reasons so no real pattern but can be disruptive at time. Graham suggested one approach might be to further encourage better team communications. Reference to be added to every draw,

### A.O.C.B

Patch badges are to be produced and provided for all funded places, to promote club at events and to show how support is provided through funding for members.

Sheona has updated membership forms and will adjust with an additional line to request DYC logo to be displayed where funding is granted.

David brought up the need for events to be supported by other trained members of the bar, it was agreed by members of the committee that this does need to be addressed as still running on skeleton staffing. Numbers trained is much greater so spread should be better. Rota sheets will go up prior to weekend events and Graham will mail chimp trained bar staff.

Mary suggested shelving in the stock cupboard would be a great help, Gordon agreed to provide these.

Mary and Sheona have had a good clear out in the stock cupboard and accessibility is now a lot easier. They found jackets that had been given to the club from Hamilton and McKerrow and all agreed they should be properly displayed. To arrange this, one to be done by DIBCA and one by DYC.

Meeting closed 8.05pm

Date of next meeting Mon 5<sup>th</sup> March 7pm.
